HP TUNERS, LLC,

Plaintiff,

v.

KEVIN SYKES-BONNETT, et al.,

Defendants.

CASE NO. C17-5760 BHS

ORDER DENYING PLAINTIFF'S
MOTION FOR LEAVE TO AMEND

This matter comes before the Court on Plaintiff HP Tuners, LLC ("HP Tuners") motion for leave to file second amended complaint. Dkt. 244. The Court has considered the pleadings filed in support of and in opposition to the motion and the remainder of the file and hereby denies the motion for the reasons stated herein.

I. PROCEDURAL HISTORY

On September 20, 2017, HP Tuners filed a complaint against Defendants Syked ECU Tuning Incorporated ("Syked") and Kevin Sykes-Bonnett's ("Sykes-Bonnett") asserting (1) violations of the Computer Fraud and Abuse Act, 18 U.S.C. § 1030; (2) violations of the Defend Trade Secrets Act, 18 U.S.C. § 1836; (3) violations of the Washington Uniform Trade Secrets Act, RCW Chapter 19.108; (4) violations of the

1 Illinois Trade Secrets Act, 765 ILCS 1065/1, *et seq.*; (5) unfair competition under the
 2 Washington Consumer Protection Act, RCW Chapter 19.86; (6) unfair competition under
 3 the Illinois Consumer Fraud and Deceptive Business Practices Act, 815 ILCS 505/1, *et*
 4 *seq.*; (7) breach of contract; and (8) tortious interference with prospective contractual or
 5 economic relations. Dkt. 1.

6 On December 26, 2017, the Court issued a scheduling order setting numerous
 7 deadlines, including February 5, 2018 as the deadline for amended pleadings. Dkt. 23.

8 On February 6, 2018, the Court extended that deadline to March 30, 2018. Dkt. 25.

9 On April 16, 2018, the Court granted HP Tuners's unopposed motion for leave to
 10 amend its complaint to add Defendant John Martinson ("Martinson"). Dkt. 29.

11 On May 8, 2018, HP Tuners filed its amended complaint. Dkt. 35.

12 On November 19, 2018, the parties filed a stipulated motion to amend the
 13 scheduling order and did not request an extension of the deadline to amend pleadings.
 14 Dkt. 123. On November 28, 2019, the Court granted the request. Dkt. 129.

15 On May 16, 2019, HP Tuners took the deposition of Sykes-Bonnett and asked
 16 questions regarding the status of Syked as follows:

17 Q: All right. Is Syked ECU Tuning still alive?

18 A: Syked ECU Tuning, all the documentation has been filed for
 19 diss- -- or signed for dissolution of the company. I believe that we're
 20 waiting on one final thing to go through. I'd have to ask John on it, in
 21 regards to Washington state's B&O taxes being able to file and get
 22 everything finished up with the state, and then we're able to file the
 dissolution paperwork. I think Phil was involved in an e-mail on that. I
 don't recall.

21 Q: Do you have a new entity?

A: We do.

22 Q: What is that entity?

1 In this case, HP Tuners has failed to establish diligence. HP Tuners became aware
2 of Defendants' new entity on May 16, 2019 and waited over eight months to file this
3 motion for leave to amend. This is not diligent and the inquiry shall end. *Neidermeyer*,

5 **III. ORDER**

6 Therefore, it is hereby **ORDERED** that HP Tuners's motion for leave to file
7 second amended complaint, Dkt. 244, is **DENIED**.

8 Dated this 20th day of May, 2020.
